Zuni National Forest, New Mexico and Arizona, three thousand seven hundred and thirty-four dollars: *Provided*, That all of the military reservation of Fort Wingate, New Mexico, as described in Executive order of May thirty-first, nineteen hundred and eleven (Number thirteen hundred and sixty-seven), shall become a part of the Zuni National Forest and shall so remain until said order shall be revoked, modified, or suspended by the President, but that the said lands shall remain subject to the unhampered use of the War Department for military purposes, and to insure such use the land shall not be subject to any form of appropriation or disposal under the land laws of the United States;

Additional national forests to be created under section eleven of the Act of March first, nineteen hundred and eleven (Thirty-sixth Statutes, page nine hundred and sixty-three), and lands under contract for purchase or for the acquisition of which condemnation proceedings have been instituted for the purposes of said Act, thirty-two thousand five hundred and ninety dollars;

That the Secretary of Agriculture is hereby directed and required to select, classify, and segregate, as soon as practicable, all lands within the boundaries of national forests that may be opened to settlement

and entry under the homestead laws applicable to the national forests, and the sum of twenty-five thousand dollars is hereby appropriated for the purposes aforesaid.

For the expenditure under the direction of the Secretary of Agriculture for survey and listing of lands within forest reserves chiefly valuable for agriculture and describing the same by metes and bounds, or otherwise, as required by the Act of June eleventh, nineteen hundred and six, and the Act of March third, eighteen hundred and ninety-nine, thirty-five thousand dollars: *Provided, however,* That any such survey and the plat and field notes thereof paid for out of this appropriation shall be made by an employee of the Forest Service under the direction of the United States surveyor general, but no land listed under the Act of June eleventh, nineteen hundred and six, shall pass from the forest until patent issues; That the Secretary of Agriculture, under such rules and regulations as he shall establish, is hereby authorized and directed to sell at actual cost, to homestead settlers and farmers, for their domestic use, the mature, dead, and down timber in national forests, but it is not the intent of this provision to restrict the authority of the Secretary of Agriculture to permit the free use of timber as provided in the Act of June fourth, eighteen hundred and ninety-seven.

For fighting forest fires and for other unforeseen emergencies, one hundred and fifty thousand dollars;

For the purchase and maintenance of necessary field, office, and laboratory supplies, instruments and equipment, one hundred and fifty-five thousand dollars;

For investigations of methods for wood distillation and for the preservative treatment of timber, for timber testing and the testing of such woods as may require test to ascertain if they be suitable for making paper, and for other investigations and experiments to promote economy in the use of forest products, one hundred and seventy thousand dollars, and the Secretary of Agriculture shall investigate the best methods of distillation of Douglas fir and other northwestern species of fir and timber, and ascertain the yields of distillates of various species, and the refining and commercial use of the distillates;

For experiments and investigations of range conditions within national forests, and of methods for improving the range by reseeding, regulation of grazing, and other means, twenty thousand one hundred and eighty dollars;

For the purchase of tree seed, cones, and nursery stock, for seeding and tree planting within national forests, and for experiments and investigations necessary for such seeding and tree planting, one hundred and sixty-five thousand six hundred and forty dollars: *Provided,* That the Secretary of Agriculture may procure such seed, cones, and nursery stock by open purchase without advertisements for proposals, whenever in his discretion such method is most economical and in the public interest, and when the cost thereof will not exceed five hundred dollars;

For silvicultural, dendrological, and other experiments and investigations independently or in cooperation with other branches of the Federal Government, with States and with individuals, to determine the best methods for the conservative management of forests and forest lands, eighty-three thousand seven hundred and twenty-eight dollars;

For market and other miscellaneous forest investigations, and for collating, digesting, recording, illustrating, and distributing the results of the experiments and investigations herein provided for, thirty-one thousand three hundred and sixty dollars;

For the construction and maintenance of roads, trails, bridges, fire lanes, telephone lines, cabins, fences, and other improvements necessary for the proper and economical administration, protection, and development of the national forests, four hundred thousand dollars;

Provided, That no part of the money herein appropriated shall be used to pay the transportation or traveling expenses of any forest officer or agent except he be traveling on business directly connected with the Forest Service and in furtherance of the works, aims, and objects specified and authorized in and by this appropriation: *Provided further*, That no part of this appropriation shall be paid or used for the purpose of paying for, in whole or in part, the preparation or publication of any newspaper or magazine article, but this shall not prevent the giving out to all persons without discrimination, including newspaper and magazine writers and publishers, of any facts or official information of value to the public.

That an additional ten per centum of all moneys received from the national forests during the fiscal year ending June thirtieth, nineteen hundred and twelve, shall be available at the end thereof, to be expended by the Secretary of Agriculture for the construction and maintenance of roads and trails within the national forests in the States from which such proceeds are derived; but the Secretary of Agriculture may, whenever practicable, in the construction and maintenance of such roads, secure the cooperation or aid of the proper State or Territorial authorities in the furtherance of any system of highways of which such roads may be made a part.

In all, for general expenses, three million one hundred and seven thousand two hundred and eighty-five dollars.

Not to exceed fifteen per centum of the total of all sums appropriated under "General expenses, Forest Service," may be used in the discretion of the Secretary of Agriculture as provided above under general expenses for Forest Service for all expenses necessary for the general administration of the Forest Service.

Total for Forest Service, five million three hundred and forty-three thousand and forty-five dollars.
